## **BAGLESS CONCEPT FOR CLASSES Pre-Primary to II**

"A man, owes very little to what he is born with—a man is what he makes himself."

—Alexander Graham Bell

**Dear Parents,**

The National Education Policy 2020 released by the Human Resource Development, (MOE) Ministry of Education suggests a wide variety of enriching courses and '**Bagless Concept**' for students. Keeping in view the guidelines, '**Bagless Concept**' will be encouraged throughout the year for various types of enrichment activities involving arts, quizzes, sports, and vocational crafts.

Students' holistic development includes honing their innate talents. In the same pursuit the School believes in providing platform to students to explore their interests and capacities beyond the general school curriculum. AIS management has decided to have **Bagless Concept** for the students of **Classes Pre-Primary to II**. It is an initiative to revolutionize education and help the students gain a more globalised perspective.

An array of activities has been designed to complement the learning experience of the students. A meticulously planned schedule for the same has been formulated.

- Children will learn in a way that is normally omitted in the present climate of standardized schooling : - like Dance, Music, Computer, Spoken English, Drama & Yoga.
- It will be skill based all over development of a child.
- Free mindset of child with no burden.
- Hands-on experience. (play, practice & pursue)
- Books & Notebooks will be kept at school only. (Will be sent as per requirement)
- No homework will be given but practice, reinforcement and learning at home will be appreciated.
- Worksheets will be given for reinforcement of concepts.
- Digital support & content will be provided.

Soliciting your co-operation to make this initiative a success.
