Dear Parents,

Every year the World Paper Bag Day is commemorated to underscore the importance of opting for paper bags over plastic alternatives. By switching to paper bags and insisting on using them whenever you are in the market or even at home, you are promoting the need of using eco-friendly products, which contributes to creating awareness about such movements. This important day is being celebrated in our school on Tuesday, the 18th July 2023.

All students are advised to bring to school the following articles tomorrow: Hand-made Paper Sheet, Fevicol, Scissors and miscellaneous decorative items.

Support the Environment by having it "Have It Your Way"
