Circular for Cultural Exchange Program to be organized by

**AUROBINDO INTERNATIONAL SCHOOL
&
SACRE' COEUR LA SALLE, ANGERS, FRANCE.**

Subject: Invitation to Parents / Families to participate in Student Cultural Exchange Program.

Dear Parents and Guardians,

We hope this letter finds you in good health and high spirits.

At **AUROBINDO INTERNATIONAL SCHOOL**, we believe in the power of cultural exchange to broaden our students' horizons, foster global understanding, and create lasting connections. To further this goal, we are excited to announce our upcoming Student Cultural Exchange Program in association with **SACRE' COEUR LA SALLE in ANGERS, FRANCE**.

The program will have two components:

- Hosting students coming from France to India: In which families of the students of our school will become host parents.
- Selective Students from our school going to France and will be hosted by French families with a warm welcome at their homes.

The Student Cultural Exchange Program is a unique opportunity for our students to learn about different cultures, languages, and perspectives first hand. It allows them to experience life in a new environment, build life long friendships, and develop invaluable life skills.

To initiate this program, our school is seeking selective families who are willing to open their homes and hearts to international students. As a host parent, you will have the chance to:

- Welcome an international student into your family, providing them with a warm and supportive environment.
- Share your own culture, traditions, and experiences, helping the student gain a deeper understanding of your way of life.
- Encourage cultural exchange and friendship between your child and the visiting student.
- Enhance your family's global perspective and create lasting memories.

We are looking for families who are enthusiastic, patient, and willing to embrace the experience of hosting a student from France. Hosting typically involves providing accommodations, meals, and support to the visiting student during their stay, which is expected to be in the month of April 2024.

If you are interested in this program or would like more information about the program, please contact our Cultural Exchange Coordinator, **Ms. Honey Sharma**, at **hsmannat27@gmail.com** or **7891147178/7728894720**. In addition to this we will be hosting an information session about this program on **7th October 2023** where you can learn more about the program and ask any questions you may have.

We look forward to your enthusiastic participation and thank you for helping us promote cultural understanding and global awareness among our students.

Regards,

Principal
