Class: I
Session 2023-2024

Holiday Homework

Dear Students,

As the warmth of the summer sun approaches, it's time to embrace the much-anticipated summer holidays! We hope this break provides you with ample opportunities to relax, recharge, and explore new horizons. However, before you embark on your well-deserved vacation, we have some exciting yet enriching homework assignments to keep your mind engaged during this period.

We believe that learning doesn't have to be confined to the four walls of a classroom, and the summer holidays offer the perfect canvas for expanding your knowledge and nurturing your creativity. These assignments are designed to provide you with a sense of adventure, intellectual stimulation, and personal growth.

Throughout the summer, our dedicated team of educators will be available to guide and support you whenever needed. Feel free to reach out to us for any clarification, inspiration, or assistance you may require on your homework assignments.

We eagerly await your return in the coming academic year to hear about your captivating experiences and witness the growth you have achieved. Make the most of this summer break, embrace the joy of learning, and let your enthusiasm shine through!

Wishing you a truly unforgettable and enriching summer holidays.

TO DO LIST DURING THE HOLIDAYS:

- *Spend time outdoors, walking, playing, jogging etc.*
- *Speak to your friends, don't just message them on social media.*
- *If you are lucky enough to have siblings, plan some special time to hang-out together or play with them.*
- *Try to have meals without a mobile phone so that you can interact with your family members without distraction.*
- *Read good books. A few of them are suggested in this assignment too.*
- *Do something kind such as pulling weeds out in garden, watering the plants, helping your family members in their daily chores.*
- *Tidy your room and make your bed, you have plenty of time!*
- *Relax… and come back refreshed to take up school tasks with full zeal after vacation!*
❖ **Do all the given holiday homework in a single scrapbook. Divide your scrapbook according to the subjects.**

❖ **Revise & prepare syllabus of PA-1 for upcoming exam for all subjects in the month of July for a glorious achievement.**
